

Communal Spaces - House Rules

Our common areas are always accessible for all guests for quiet :

- Breakfast room/kitchen
- Lounge and relaxation area
- Gym and balcony

From 6:00 to 24:00

During evening hours, we request that everyone be respectful of our other guests and our neighbours, and keep noise to a minimum.

Breakfast Room and Kitchen

Coffee and drinks from the fridge are self-service - please note what you've taken and your room number on the sheet in front of the coffee machine so we can settle your account on check-out.

ROBIN'S NEST

The kitchen is available for breakfasts, aperitivo and snacks.

For those who wish to have lunch or dinner at Robin's Nest, we offer a catering service by reservation (from October to July). You can find the menu and instructions on how to order next to the coffee machine.
