

Instructions for Self-Access

Your Room:

The rooms at Robin's Nest are spread over two floors - the ground floor is accessed directly from the courtyard, the first floor via the set of steps to the left hand side in the below picture.

Main Entrance - Pedestrian

The main entrance is
in **via Gnemmi 2.**

There is free public
parking just in front of
the entrance.

Where to find your keys

In the grey box just below the intercom at the main entrance at Via Gnemmi 2:

Card (1): Opens all electric gates

Swipe the card over the blue sensors to open the gates, and make sure you give enough space to the moving gates - they also won't open if you're blocking their sensors.

Keys (3):

One key opens your room, the other two keys are for the back gates - one for the gate between the road and the car park (called the *cancelletto*), one for the gate between the car park and the courtyard (called the *androne*).

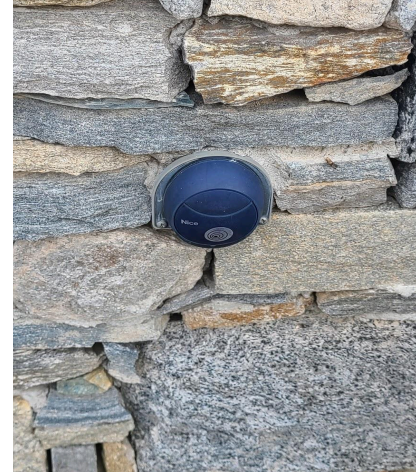

Internal Parking:

Entrance by car:

The private parking for cars is in **via San Rocco**, about halfway down the street on the side of the odd numbers.

Swipe the keycard over the blue sensor (picture below) and stand back so that the gates can open.

From Via Roma:

Turn right onto via San Rocco. You'll see the gate about half-way down the street on your left hand side.

From Via Oleggio Castello:

Turn left onto Via Piana, then at the first junction turn right onto Via San Rocco - the car gate will be about half way up, on your right hand side.
